A Festival of Food and Farming

Countryside Collage Competition

Prize Money Donated by NFU Scotland
First Prize £50 Second Prize £25

As part of Huntly Hairst's Festival of Food and Farming, which will be held over the weekend of 3rd and 4th September 2011, we are holding a Countryside Collage Competition. This competition is open to all schools, youth groups and community groups who would like to have some fun designing and making their very own piece of countryside. It can just be the rolling landscape or if you want it can contain animals, tractors etc. The choice is yours .

The collage can be in any materials, i.e. various papers, fabrics, etc but must be able to be displayed hanging and must not exceed 1.5 metres by 1 metre as we hope to brighten up the livestock pens with them .

This competition will be judged on Sunday 4th September 2011 at Huntly Mart and to ensure that we have enough display area, it would be appreciated if you could complete and return the attached form before Monday 29th August 2011, if you think you would like to take part.

Entries should be delivered to the mart on Sunday 4th September between 10.00a.m. & 10.30a.m. and collected immediately following the prize giving at 3.30p.m.

If this is not possible please let me know and I will try to make alternative arrangements.
